Sessions

The more time you allow, the more poses we can create for you. It's a great opportunity to get not only a portrait of everyone together, but also a new portrait of the parents, the children or individual portraits. You know which ones will be the most meaningful to you.

Trying to decide what to wear? The color and style of your clothing should coordinate. It does not necessarily need to match. See examples on our website at www.browns-photography.com. Click on Families and Fashion Tips.

All sessions are by appointment only and session fees are due at the time of the session. This way there is no waiting and you will be able to see your photographs in detail on our 30" monitor. Then you can choose the perfect frame to enhance your photograph and your decor. What could be easier?

Of course, we can always put your photographs online. All you need do is ask!

Monday through Saturday:

5 minutes - \$19

15 minutes - \$39

30 minutes - \$59

60 minutes - \$99

There is an extra \$10 fee if you would like to go to a different location (except for Park Sessions).

There is an extra \$10 fee for all Sunday sessions (except for Park Sessions).
